I hereby appoint Credit Claims Limited to act on my behalf as my sole representatives in respect of my claim for mis-sold PPI. I shall provide all information required by Credit Claims to help with my claim. I shall not enter into any agreements with my PPI provider without first consulting Credit Claims. In consideration of this Credit Claims will:

- Review all information provided by my provider in relation to the claim
- Undertake all necessary negotiation and settlement figures on my behalf
- Calculate the entire sum of money owed including interest applicable
- Provide representation with the Financial Ombudsman, as applicable

### Cancellation

Credit Claims Ltd can cancel this agreement at any time by giving written notice to you and no fee will be payable by you if we think there are no grounds for a complaint or that your claim is unlikely to succeed.

You have the right to terminate the contract by giving written notice to Credit Claims within 14 days of signing the contract and you will not be charged. If you cancel after this period you will be charged a `reasonable` fee depending on where we are upto with your claim. This could be anything upto our full fee.

### Law & Jurisdiction

The law applicable to this contract shall be English law and the parties consent to the jurisdiction of the English courts in all matters affecting this contract.

### Other important points

I am aware that I can pursue a claim for mis-sold PPI myself directly with the PPI provider without a charge and use the free services of the Financial Ombudsman Service (FOS) if my claim is rejected.

I am aware that Credit Claims does not offer any guarantee about the outcome of my case but I will not be charged should there not be a successful outcome.

I am also aware that if I have an existing loan or credit card, some or all of my refund may go towards clearing my outstanding balance. This could mean I do not get a `cash` payout but will still be liable to pay the fee due to Credit Claims.

Below are some examples of how your refund could be made and how our fee is charged:

Refund from bank £1000 – cash received by you £1000 – balance reduced £0 – fee payable £180 leaving you with £820

Refund from bank £1000 – cash received by you £800 – balance reduced £200 – fee payable £180 leaving you with £620

Refund from bank £1000 – cash received by you £0 – balance reduced by £1000 – fee payable from your own funds £180
